

“Coats for Kids”

1st Annual Run

STAR 153, Sacramento

www.star153.org

Have you ever wondered how children living on the street during the winter survive the cold? Well STAR Chapter 153 asked that question and the answer resulted in our desire to take up a collection of jackets and coats for kids. Our donations will go to Mustard Seed, a school for kids ages 3-15, living on the streets with their families. Their parents are doing their best to find housing and jobs, but in this economy more people are going on the streets than getting off them.

This event is being held on Saturday, November 21, 2009, 9:00AM to 11:30AM. The premise is that each chapter will bring their contributions to one of three of our supporting dealerships. There will be refreshments at the dealerships, but then there will be a ride* leaving each of the dealerships at 11:30 and coming together at Steve's Pizza Place for a no host pizza party. Collections boxes will be at the dealerships starting on October 24, 2009. On Monday, November 23rd STAR 153 will take the items to Mustard Seed for distribution.

Coat criteria -

- Jackets and coats only (no sweaters or sweatshirts)
- New is preferred, but items purchased from Thrift Stores or Goodwill will also be accepted. Slightly worn is OK, but must be clean and not have any rips or holes.
- I know we will probably get a ton of stuff for the smaller kids, so maybe people can combine their resources and go in together for some of the larger sizes.
- Cash donations will be accepted and we will go out and purchase accordingly.

Please contact Janet "Sonshine" Sturkey at blessed-daily@comcast.net or at (916) 390-7244 for any questions you may have.

Go to <http://www.sacloaves.org/programs/mustardseedschool> to see MSNBC's report on Mustard Seed School.

*Please make this your chapter ride so we don't have to deal with ride waivers!!
