

About Us:

We are a riding group focused on the Star brand of motorcycles, *but all brands are welcome!* We offer planned, organized rides and activities for street motorcycles.

The Hayward Fault Chapter serves Alameda County, CA. We ride clean, sober and safely, and we encourage families to participate. Visit our website to see if this is the right group for you!

Who, What, Where, When & How ???

Our Mission Statement:
To pursue, promote and protect the interests of motorcyclists; to develop

better and more enthusiastic relations between the general public, the media and the operators and riders of motorcycles; to encourage rider participation in events; to promote motorcycle safety and camaraderie among members, to promote organized events; and in general perform them in a lawful manner.

We schedule at least one ride or event per month, usually a ride the 1st Saturday of each month. We hold quarterly Chapter Dinner Meetings to take care of any administration, share an evening meal, hold some raffles, and get input from the membership on future rides and events.
