STAR Touring & Riding Association MISSION STATEMENT

To pursue, promote and protect the interests of motorcyclists; to develop better and more enthusiastic relations between the general public, the media and the operators and riders of motorcycles; to encourage rider participation in events; to promote motorcycle safety and camaraderie among members; to promote organized events; and in general, perform them in a lawful manner.

What is STAR?

STAR is a non-political, non-confrontational association. Its main focus is on family, fun, camaraderie and RIDING. All brands of motorcycles are welcome. Comprising over 65,000 members and over 285 chapters, STAR recognizes safety as a first priority. The STAR community is a mix of riders with varied riding experiences. Chapter rides follow the highway laws and limits, to keep everyone as safe as possible. This allows everyone to enjoy the ride and not have new riders feel overly stressed.

Who Are We

Our members come from a variety of backgrounds from white collar to blue collar and everything in between. We are respectful of each other and others on the road. Our youngest rider is in his 20's while our oldest rider is retired.

We're About Riding

We do a lot of things, but we are primarily a riding group. Our rides take us all around the Bay Area and Northern California. Occasionally we have opportunities to go on longer rides to Nevada or to our National events. From chapter rides, poker runs, holiday rides, over-nights, pre-rides, fun-rides and rallies, everyone is sure to find a ride that you will enjoy and talk about to your soon-to-be jealous friends!

What's Your Bike Model?

Honestly, we don't care! Yes, STAR is a Yamaha-based organization, but our members have every style of bike you can imagine. Our members have Yamaha's, Harley's, Honda's & BMW's, to name a few. Several of our members own more than one brand of bike and many of us have ridden several brands over the years.

We Are Ride Flexible

You have a life, all of us do... and we are flexible with the number of rides you do or do not participate in. Yes, we do have minimum participation requirements, but they are easy to achieve!

Convenient & Fun Rides

Our rides start in Hayward (see below), Fremont, San Ramon or Livermore. Most rides start around 10:00am with short rides ending around 3:00pm and longer rides ending a little later. We include rest breaks, lunch stops and sight seeing in our rides. We encourage our members to offer ride suggestions, this is everyone's group!

Ride Safe, Clean & Sober

We take our time and plan for scenic roads so we can relax and enjoy our rides. We make rest and lunch stops. We don't speed. We don't drink, even beer, on our rides. In fact it's a violation of our National Charter. But more importantly, we focus on safe riding and having a good time.

Give Us A Try... It's FUN!!

Not sure if we are right for you... give us a try and see for yourself. Contact us or check out our website for upcoming ride details and join us. You will find that we are about safety, enjoyment and fun!
